

Never Ever

Never ever let your dreams go, no no
Never ever let your fears take control
Never ever stop aiming to your shining star
Never ever, never give up!

Life is short as we know and what you`ve done
To make yourself be proud?
Don`t you hide behind tomorrow - there`s no such thing!
And instead of using „I will try” , say „I will”

So? So!
So pack your things - You`re about to start your special trip!

Never ever let your dreams go, no no
Never ever let your fears take control
Never ever stop aiming to your shining star
Never ever, never give up!

I`m sure you`ve heard `bout the power - power of thoughts
and your life is a result - result of your thoughts
So, you can reach your highest top and reach the brightest star
You can be who you want to be - I know you can

Just take the first step!
What are we waiting for?
Be brave enough! And let`s go!

Never ever let your dreams go, no no
Never ever let your fears take control
Never ever stop aiming to your shining star
Never ever, never give up!

Be brave enough to reach the top
And just keep going and gaining

// Just take the first step and don't be afraid //
